

SUMMER 2018 PARENT EDUCATION CLASSES

UNDERSTANDING CHILDREN: TOOLS AND TECHNIQUES FOR PARENTS

Join a community of learners

Parents, early childhood professionals, caregivers & others with children in their lives- infant through young adult.

Learn practical and useful information, discover helpful resources, gain new techniques, and build relationships with others within the community.

What we will explore:

- Communication
- Social Skills
- Reinforcement and behaviors
- Picky Eating
- Independence with daily living skills & other emergent topics

The classes will be led by an occupational therapist and speech-language pathologist, with guest speakers for specific topics.
